Born 18 April 1999

EDUCATION

2020 – February 2022

Master's degree in Mathematics

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Master's research project under the supervision of Dr. Craven at the University of Birmingham (Ennola duality in subgroups of classical groups grade 6/6 or 100/100).
- Master's semester project under the supervision of Pr. Testerman (The construction of the Chevalley Group of adjoint type and a generalisation, grade: 6/6 or 100/100).
- Average: 5.83/6 or 96.6/100.

2017 – 2020

Bachelor's degree in Mathematics

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Third year in exchange at the University of Waterloo, Canada.
- Bachelor's project under the supervision of Pr. Willard (On the finite relatedness of term clones of finite groups).
- Average: 5.31/6 or 86.2/100.

2017

Baccalauréat Scientifique

Lycée Présentation de Marie

- Achieved "très bien" and magna cum laude (grade: 19.75/20 or 98.75/100).

2011-2017

Euler class graduate

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Intended for children with a very high mathematical intuition. The classes covered the whole maths program until the end of the first year at EPFL.

WORK EXPERIENCE

July 2021

Auxiliary Staff

Hospital Collonges-Bellerive

- Summer job at the hospital to support the carers.
- Daily grooming, cleaning, discussion with the patients, care-taking responsibilities.

2020-2021

Teacher

Lycée Présentation de Marie

- Prepared final year students for university mathematics.
- Motivated the students to learn and think in a different way, by giving them exercises to do together, quizzes during the class (Kahoots), activities to do maths in other contexts.

2018-2020

Tutor

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Tutored various classes : Linear Algebra, Physics, Consolidation (Mise à Niveau), Information Computation and Communication, Lie Algebras, Mathematical Logic.

2014-2019

Tutor

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Tutored for Cours Euler: answered questions, marked exams and corrected exercises, presented exercises at the blackboard.

2017 **Euler Camp Counsellor**

Ecole Polytechnique Fédérale de Lausanne (EPFL)

- Supervised children whilst they were doing various activities: mathematics, hiking and games.

SKILLS

Languages	French – Mother tongue
	English – Fluent (Passed PCE with a grade of 220 or C2 A)
	German – Academic level (B1)
Skills	$\LaTeX$
	PowerPoint
	Word
	C++ (basics)
	GeoGebra (basics)
	Matlab

ADDITIONAL INFORMATION

Internships	2016, Science et Jeunesse: Participation in the Biology and Medicine study week at the University of Geneva. Shadowed staff from Pr. Jabaudon's research group in the department of Neuroscience. Creation of a poster.
	2015, Research Institute in Astrophysics and Planetology (IRAP): Shadowed Pr. Pajot to learn about astrophysics in Toulouse.
	2014, Ecole Polytechnique Fédérale de Lausanne (EPFL): Shadowed Pr. Courtine in his laboratory at EPFL. Learnt about his research into spinal cord injury.
Other experiences	Spring 2021: Organised a group with other students to learn about the representation theory of semi-simple Lie Algebras, with the help of Pr. Testerman. Planned the sessions and presented two of them (PowerPoint). Wrote summaries in LaTeX.
	2019-2020: Exchange Year at the University of Waterloo, Ontario, Canada. Volunteer math society office worker.
	2013-2017: Participation in Cours Euler summer camps. Maths in the morning and activities in the afternoon, mainly hiking.
Interests	Reading, Sport (climbing, running, Quidditch), Travelling, Hiking (Route of St James from Geneva), Piano.
